~~**Burning Wheel Codex (unboxing)**~~  
 The Burning Wheel Codex does this to some degree, but with more of the essay-adjacent writing that, frankly, saddled us with these issues in the first place. Ultimately, these are traits of a passion project: the rules are all there, and if you understand how to engage with them, there is a phenomenal game in that book.

 So I managed to convince them to try out Burning wheel. The adventure: So to introduce the players to the system I figured I would steal the opening sequence if Indiana Jones: raiders of the lost ark. Having Indiana and Belloq have to cooperste to get the golden idol from the cave. I will pre-burn the characters for them and out them in front if the Temple. My reasons for doing this is to ...

 Burning Wheel uses a simple D6 die pool system at its core. Grab a handful of dice equal to your skill or stat. Roll the dice. Any 4s, 5s or 6s that result are considered successes. You need a certain number of successes to pass tests. The system builds on that simple core to create deep, dynamic results. During play, the GM challenges a player's Beliefs. The player overcomes these challenges ...
