~~Delusions of Gender: How Our Minds, Society, and Neurosexism Create Difference is a 2010 book by Cordelia Fine, written to debunk the idea that men and women are hardwired with different interests. The author criticizes claimed evidence of the existence of innate biological differences between men and women's minds as being faulty and exaggerated, and while taking a position of agnosticism with respect to inherent differences relating to interest/skill in 'understanding the world' versus 'unders~~

~~In our implicit mind, we therefore also have the stereotypes of gender, the stereotypes of what men and women should look like and how they should act. Women being associated with words like “ home ” , “ care-taking ” , “ sensitive ” and men being associated with words like “ strong ” , “ independent ” and “ hard-working ” .~~

Delusions of Gender - COnnecting REpositories

“ When the environment makes gender salient, there is a ripple effect on the mind. We start to think of ourselves in terms of our gender, and stereotypes and social expectations become more prominent in the mind. This can change self-perception, alter interests, debilitate or enhance ability, and trigger unintentional discrimination.

Cordelia Fine Quotes (Author of Delusions of Gender)

Passionately argued and unfailingly astute, *Delusions of Gender* provides us with a much-needed corrective to the belief that men ' s and women ' s brains are intrinsically different—a belief that, as Fine shows with insight and humor, all too often works to the detriment of ourselves and our society.

Amazon.com: *Delusions of Gender: How Our Minds, Society ...*

'Cordelia Fine has a first-rate intellect and writing talent to burn. In her new book, *Delusions of Gender*, she takes aim at the idea that male brains and female brains are "wired differently", leading men and women to act in a manner consistent with decades-old gender stereotypes. Armed with penetrating insights, a rapier wit, and a slew of carefully researched facts, Fine lowers her visor, lifts her lance, and attacks this idea full-force.
