15 years and 200,000 bikes later, following the launch of two sportsbikes in the 848 and 1098 Ducati release the all-new 696 Monster. They have set their own expectations very high, maybe too high. The 696 should look a lot like the old 695 to you, because it's supposed to, part of the design brief was that from 100 metres you should struggle to tell the difference.
