6 Reasons Really Smart People Make Really Dumb Decisions, According to Science Smart people aren't just wise. Smart people make smart decisions. Which means they avoid falling prey to these all ...

## **6 Reasons Really Smart People Make Really Dumb Decisions ...**

People buy when they feel confident of their decision. There is actually a neuron that fires up in the brain that triggers people to take action when the brain decides it is confident of a decision. This is subjective. It's not necessarily based on the amount of information you've collected — it's a feeling of confidence.

## **How People Make Decisions — Smashing Magazine**

Managers making people decisions will never be perfect, of course, but they should come pretty close to batting 1,000—especially since in no other area of management do we know as much.

## **How to Make People Decisions - Harvard Business Review**

1) Quality of the data. First and foremost, the main reason usually invoked is data quality. Data quality is the condition of a set of qualitative or quantitative variables, that should be “fit for [its] intended uses in operations, decision making and planning”, according to an article written by author Thomas C. Redmann.
