body of research and data to back up Brennan's claims.

The Ethics of Voting by Jason Brennan - Goodreads  
Brennan offers a set of arguments against the “folk theory” of voting ethics, which maintains (in part) that voting per se is an exercise in civic duty. He offers a provocative alternative and an “expansive conception” of civic duty and virtue: even if one has a civic duty that she is morally bound to discharge, she can do so through non-political channels.

In *The Ethics of Voting* (Princeton University Press, 2011), Jason Brennan presents a provocative case for thinking that citizens who choose to vote have a duty to vote well. He then argues that voting well is difficult, and concludes that not only is there not a strong duty to vote, but, for many citizens, there is a duty not to vote.
