Re: Sea King 4 HP info 1972 or 73 4Hp. Those were the only K400 years. Parts are going to be tough. So are manuals. Try eBay for manuals. You might get lucky. The powerhead is air cooled. the exhaust is water cooled. The motor will run with a failed water pump, but runs better with cooled exhaust. Use 2-stroke lawnmower/chainsaw oil. Don't use outboard oil.

Sea King And Chrysler Outboard Service Repair Manual, E...

I have a 1982 Chrysler Sea King 15hp. Just replaced head gasket and rebuilt the carb. When I'm running WOT, it surges down. Found out today that if I pump the fuel line bulb while running wot it runs just fine, stays and doesn't surge. Is this the fuel pump? Also have noticed air bubbles in my internal fuel lines but no fuel leakage so assuming it's not an internal fuel line issue.
