The present research has shown that much of the pattern of state tax policy change can be traced directly to that source. It suggests strongly that state parties are concerned with gaining and retaining political power and that the severity of public reaction declines with the passage of time.

Election periods and state tax policy cycles | SpringerLink
A third source of tax policy is more political, that made directly by ministers and advisors. This could come from election manifesto promises implemented soon after re-election, like the windfall tax on privatised utilities in 1997, or the cutting of top marginal rates of income tax in 1979.

The Political Economy of Tax Policy - IFS
Economic arguments about tax "reform" (which in a political economy context may be regarded just as "changes" in the tax system) are provided in a mostly nontechnical manner in Slemrod and Bakija 2008. Work on how the economic effects of taxation are evaluated in political terms by political parties and voters is discussed in later sections.
